Hello,

My name is Mike Karney and I am currently a Professional Football Player with the St. Louis Rams, as well as the Chairman of Karney Foundation Association. The main goal of the foundation is to give back to the youth of my hometown area of Puget Sound, Washington, both through educational and monetary resources. Since its start on January 1, 2008, the Karney Foundation Association has been received with overwhelming excitement and success. It is amazing how many individuals and organizations in our community are dedicated to bettering the future of our youth.

For the past two years we have hosted a youth football camp, which has gone above and beyond our expectations with over 200 participants each year. We are now beginning preparations for our third camp. The goal of the non-profit camp is to use football as a vehicle to inspire and instill the proper fundamentals and skills to not only become a better football player, but also to become a successful individual both on and off the field.

The **3rd Annual Karney's 44 Kids Camp** will be a one day event held at French Field at Kent Meridian High School, in Kent, WA, on Saturday, June 19th, 2010. In addition to local coaches from the Puget Sound area, we will also have current and former NFL players on hand to instruct the kids.

I am hopeful that you will consider joining me in sponsoring local youth from our community and making Saturday, June 19th, a memorable day for those attending the camp. I was fortunate enough to have positive role models throughout my life that showed me the importance of being a strong individual both on and off the field. Hosting this camp in my hometown is a way for me to help instill the same values in today's youth, and I hope that you will join me in this effort. These children are the future of our community, and together we can make a positive impact in their lives.

In addition, we host an annual golf outing followed by a celebratory dinner. Karney Foundation Golf Outing and dinner will take place on Friday, June 18th, 2010. Please see the sponsorship levels below for more information.

Please review the attached sponsorship information to determine which level of commitment to our goals best fits your desire to help. Again, I would like to say that this camp is not for profit. Any funds left over, after covering all camp expenses, will be donated to the Puget Sound communities. I believe that it is OUR duty and responsibility to help shape the lives of today's youth. As members of our community, your sponsorship and support would be greatly appreciated. For your reference, our federal tax exempt ID # is 26-2582490.

I would like to personal thank you for your consideration in supporting my **3rd Annual Karney's 44 Kids Camp**. If you have any questions, please feel free to email me at info@karney44foundation.org.

Thank You,
Mike Karney
Karney Foundation Association Chairman
